It is to be an all-day affair, to which every one—men, women and children—is invited and a good time is promised to all.

THE CIRCUS CARNIVAL

Circus Day is children's day. It belongs essentially to them. Tradition has made it so. Years of the most careful efforts by Messrs. Norris & Rowe to eliminate everything in the slightest degree impolite in the character of their exhibitions has at last convinced the public of the absolute cleanliness and morality of the circus as a place of entertainment. The Norris & Rowe show will give two performances here Saturday and a free street parade.

MAYSVILLE SERIE NO. 1564, F. O. E. Maysville Erie No. 1564, F. O. E., will meet at Wilson Building, Second street, this evening at 7:30 o'clock. Visiting Eagles invited.

Failed in Health

"My mother died six years ago," writes Miss Ruth Ward, of Jerseyville, Ill., "and left me to care for six children. I had never been strong; and this, with the shock of her death, was too much for me.

"I failed in health. I was tired all the time and did not want to go anywhere, nor care for company. I had the headache all the time and such bearing-down pains. A very dear friend advised me to take Cardui, as it had done her so much good, so I commenced to use it and now I am in good health."

Take CARDUI

The Woman's Tonic

Women's pains are relieved or prevented and women's strength is quickly restored, by Cardui, the woman's tonic. You yourself know best if you need it, or not.

If you do need it, do not delay, but commence to use it at once. Every day of delay, only lets you slide further down the hill.

Don't wait, then, but begin to take Cardui today, for its use, no matter how prolonged, cannot harm you and will surely do you good.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists. Take Hall's Family Pills for constipation.

NO POOL IN BOURBON.

There will be no attempt made to pool the 1910 crop of tobacco in Bourbon county, according to a resolution passed at an all-day meeting of the Burley Tobacco Society at Paris Monday. Less than one-fourth of the crop was pooled last year, and with the anti-pooling sentiment spreading the Equity leaders gave up in despair and adjourned sine die.

Doan's Kidney Pills never fail you. Maysville people know this. Read this Maysville case. Read how Doan's stood the test for three years. It's local testimony and can be investigated: William H. Paul, 333 East Third street, Maysville, Ky., says:

"For two years I had pains in my back and other troubles, caused by disordered kidneys. When Doan's Kidney Pills were brought to my attention I began their use and they soon gave me relief. I cheerfully recommend this remedy as one that lives up to the claims made for it."

The above statement was given on December 13th, 1904, and on February 6th, 1905, Mr. Paul added:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them. My back has been permanent and I am now in good health."

Our Colored Citizens.

Being urged by the earnest solicitation of many of our local colored people and letters from many without the State, Mr. Ed. White announces that this summer he is going to give another Colored People's Home-Coming at Maysville. The one he gave last year having met with the greatest success of any of its kind ever held in Kentucky and on account of its orderly and well conducted management, from the present outlook Mr. White will be able to give the colored people of this section the chance of hearing one of their race's greatest educators in the South. Many new features will be added and no expense will be spared in giving the colored people of this section one of the greatest Home-Comings they have ever had the pleasure of enjoying.

Every Year

When you revive the furniture from its winter sleep you ought to add some little thing that will make your home permanently better. You have a battered, dingy chair, perhaps a table, a bookcase—some part of your household equipment is worn out and needs replacement. Make sure that the new piece is durable and of a good quality, so that you can hand it down as a family heirloom. High-class furniture, such as "Karpen" makes, costs little more than the cheap kinds. It makes your home a little better each year. With our easy payment plan it is delightfully simple to add these better things to your home. Beds, made in metal by several of the best designers in the country. Wood Suites, in the finer woods, especially one complete suit in CIRCASSIAN WALNUT of unusual beauty. Chairs for every room; Dining Chairs of rich golden oak, early English and mahogany. Rockers and Arm Chairs that make rest a pleasure. Dining Tables of oak and early English; some square, some round, some with five legs, others with center pedestal and famous Tyden lock. Tables for the dining-room of all widths and in eight, ten and twelve-foot lengths. Parlor Suites of three pieces and more, supplemented by Davenport and Odd Chairs that harmonize perfectly. Many Suites in mahogany and the finest grained oak.

MAY CHANGE LINE

Through Dover—The C. and O., Trying to Eliminate Curves, May Run South of Dover

Ripley Bee.

The surveyors have been at work the past week surveying between South Ripley and Dover for a double track.

The route is to be changed somewhat, crossing Lee's creek near the old ford, passing through Dover back of Rosemont Cemetery, and continuing on down near the Fox Lane.

There is not room on the street where the road now runs for a double track, hence the change back of the town.

We beg to say that the Company already has a double track from one end of Dover to the other, which completely monopolizes Second street for half a mile. The plan of the Company is to eliminate curves and by changing the tracks a half mile South there will be three miles of straight tracks from South Ripley to the Bracken county line just below Dover.

Yesterday evening at 6 o'clock, as Mrs. C. M. Phister was driving in a buggy past the High School in Limestone street, some kids on roller skates on the concrete pavement made such a clatter that the horse started in a run for the river. Mrs. Phister called for some one to stop the animal, but held on pluckily to the lines, and by a desperate effort she stopped it. Her death or serious injury was imminent, as the horse would have dashed into the river at headlong speed.

ENGAGEMENT ANNOUNCED

Dover News.

Mr. and Mrs. Thomas R. Robertson of Bracken county announce the engagement of their daughter, Alice Leo, to Mr. Glenn B. Smoot. The marriage will occur some time in June.

Mr. Pat Sammons has bought of Dr. W. H. Taubee the former residence of Mr. P. P. Parker in East Second street for \$7,000.

Hear Elder J. B. Briney at Christian Church tonight and you will never regret it. Special invitation to the young people. His sermons are scientific, educational and deeply religious.

Quite a number of people, former employees in the Maysville Cotton Mills, have gone to Portsmouth, O., to seek work in the shoe factories and mills in that thriving city. Now is a splendid time for the city authorities to rush work on the street paving and sidewalks, while labor is abundant and wanting employment.

A Dayton news item in last night's Times-Star says: "A pony attached to a small rig, driven by Rucker Tolle, son of Rev. R. H. Tolle, became frightened at a passing street-car. Rucker and a comrade, Albert Prabel, jumped from the vehicle and escaped injury." Rucker is a grandson of Mr. and Mrs. W. A. Tolle of East Second street, with whom he has spent a good portion of his young life, and has many friends here.

Yesterday for the second time a portion of the ceiling in the banking room of the First National Bank Building fell with a crash. On this occasion a section about a yard square came down with a startling and reverberating noise, and the falling debris barely missed Paying Teller James Threlkeld, who escaped injury by ducking and creating inside his iron balliwick. The First National Building is by far the handsomest structure in the city and is surpassed by few in the State, and it is hoped this will be the last of these annoying incidents.

A HIGH CLASS SHOW

The Cotton Blossom showboat drew a capacity house last night at the Maysville wharf. The big crowd was in a fine humor after the show and if there was a knocker among the 800 present he failed to say a word against one of the highest class programs ever seen in a river theater. The boat itself is the largest on the river and its front, a mass of electric lights, made it a blaze of beauty and novelty. The music, the juggling, the singing and acting, and even the stage scenery and settings, marks "The Cotton Blossom" as the highest class floating theater on the Ohio river. Mr. Ralph Emerson, one of the cleverest and best known advance men of the country, is in charge of the show, and leaves nothing incomplete that detracts from the long and lively exhibition.

THE REAL TEST

Of Herpicide Is In Giving It a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vipers may look nice and smell nice, but the point is—do they eradicate Dandruff and stop falling hair?

No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpicide stands the "test of use."

It is a delightful dressing, clear, pure and free from oil or grease.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

\$1 Bottles Guaranteed.

HALLEY'S COMET

Edmund Halley was born in London in 1656 and was the son of a soapmaker. In 1682 Halley observed "the great comet" and he fearlessly predicted that it would be seen again in 1758, or the year following, which prediction was true to the letter, and might have foretold its appearance in 1835 and 1910, as he discovered the exact paths of the comet around the sun.

SUICIDE FOLLOWS ASSAULT

William Teel, Prominent
Augusta Citizen, Blows
Out His Brains

Arrested After Being Caught
in the Act and Mobbed

Augusta, many times the theater of startling human tragedies, comes in the spotlight again with another record-breaker and unparalleled strange.

"Willie" Teel, aged 58 years, a prominent tobacco dealer of that city, attacked and attempted to criminally assault Anna, the 15-year-old daughter of Mr. and Mrs. Thomas Deering, a very respectable white girl, Tuesday, in a livery stable. The girl screamed and fought her assailant and Teel was caught by a mob, arrested and jailed.

The girl openly charged him with the assault and at his examining trial he was placed under \$1,000 bond.

Last night Marshal William Sayers of Augusta, with two guards, conveyed Teel to Brooksville, intending to place him in Jail, as the feeling against him was running high and a mob was forming to lynch him. Arriving at Brooksville at 9 o'clock, and while going to the Jail, Teel suddenly pulled a pistol from his pocket and shot himself through the head, dying instantly.

Teel, who was in Maysville recently on business, was the father of Marshal Lake Teel of Augusta, who was killed on the C. and O. a year ago.

The suicide has a wife, son and daughter, who are highly respected people in Augusta.

Teel's body was returned to Augusta this morning for interment.
